

**Student Internship Opportunities
Mathematics and Computer Science (MCS) Division
Argonne National Laboratory**

See MCS Division research opportunities as listed in Argonne's Division of Educational Programs faculty and student online catalogue (<https://webapps.anl.gov/register/catalog/3>), projects **218-239 and 293**.

**DOE Science Undergraduate
Laboratory Internships
Program (SULI)
and
Argonne Student Research
Participation Program (SRP)**

Students who apply for summer consideration must apply to the DOE SULI and also submit an electronic application to Argonne's SRP. References should be submitted for DOE SULI consideration and need not also be submitted to Argonne. See <http://www.dep.anl.gov/>

2012 Summer program deadline:

January 10, 2012

2012 Summer program dates:

May **29, 2012** – August **3, 2012** – with some flexibility depending on on-site student housing requirements.

Cooperative Education -
Applicable to graduate students
and Undergraduate students

Parallel Co-op: one-year part-time work up to **19** hr/week concurrent with full-time college/university

Alternating Co-op: semester at Argonne, followed by semester at college/university

Co-op Application deadline:

None, but requires approval from university cooperative education office and verification of full-time student status.

Foreign nationals need work permission via approved I-20 form. See: <http://www.dep.anl.gov/highered/coopapp.pdf>

**Graduate Program
Appointments:**

2012 Summer Givens Associate – **February 1, 2012**

<http://www.mcs.anl.gov/research/opportunities/index.php>

Research Aide – **March 31, 2012**

http://www.dep.anl.gov/p_shared/researchAide_appts/shortterm.htm

Laboratory Graduate - **NONE**

http://www.dep.anl.gov/p_graduate/labgrad.htm

Thesis Parts - **NONE**

http://www.dep.anl.gov/p_graduate/thesispa.htm

Please contact Pat Pepper in the MCS Division at 630-252-3122 or pepper@mcs.anl.gov for further details.
